South Liverpool Homes

SOCIAL RENT

South Parade - Two bed apartment

Welcome to South Parade, Speke

South Parade is a brand-new neighbourhood in the heart of Speke, delivering 92 high-quality new homes in a mix of houses, bungalows and apartments. Built to a high environmental standard, every home is EPC A-rated, fully electric and designed to help keep energy bills low. With modern, practical layouts, electric vehicle charging and generous green spaces woven through the scheme, South Parade offers an affordable and sustainable way to put down roots in a growing community.

Social rent homes at South Parade

Social Rent homes offer a high-quality, secure place to live at a lower cost than market renting. Let by a housing association, they provide the same standards of safety, comfort and long-term security as other new homes, making them an affordable option for those looking to settle in their community.

What you'll love

- Energy-efficient, all-electric homes, featuring an air-source hot water cylinder, Dimplex panel heaters, PV solar panels and an EPC A rating to help keep running costs low.
- Modern kitchens ready to use, including a cooker pack with oven, hob and extractor fan, plus space for a fridge freezer.
- Practical, low-maintenance interiors, with vinyl flooring fitted to all wet areas and barrier matting at the entrance door.
- Future-ready transport features, with shared EV charging bollards available for residents.
- Designed for comfortable everyday living, with contemporary fittings throughout and homes built to high modern standards across the development.
