Section 20ZA of the Landlord and Tenant Act 1985

It is important that you read the notes below carefully before you complete this form.

This is the correct form to use if you want to ask the Tribunal to dispense with all or any of the consultation requirements set out in section 20 of the Landlord and Tenant Act 1985 and in the Service Charges (Consultation Requirements)(England) Regulations 2003.

A fee is payable for this application (see section 13 for Help with Fees).

Applications should be sent as a Microsoft Word document by **email** to the relevant regional tribunal address shown in the Annex to this form. You must also send by email **the documents listed in section 13 of this form**. If you cannot access email or find someone to assist you in lodging your application by email, then a paper application will be acceptable although there may be a delay in dealing with this. Sending an application on paper will not be suitable in urgent cases.

You can now pay the **the fee (if applicable) by an on-line banking payment or by cheque/postal order enclosed with the application form**.

If you want to be sent online banking payment details by email, please tick this box

Please make sure a copy of the application is served on the other party/parties to the application. If you are unable to serve a copy on the other party/parties, please bring this to the tribunal's attention in the covering email or if sending by post in a covering letter.

Please do not send any other documents. When further evidence is needed, you will be asked to send it in separately.

If you have any questions about how to fill in this form, the fee payable, or the procedures the Tribunal will use please contact the appropriate regional office.

Note: If this is an application by a landlord, then usually all tenants liable to pay a service charge for the costs in question should be joined as respondents. If tenants are not joined in this way, the landlord should provide the Tribunal with a list of the names and addresses of service charge payers. If this is not possible or is impractical, then a written explanation must be provided with this application.

If you are the landlord/management company making the application please omit, if known, the telephone/fax numbers and email address of the respondent(s) when completing Box 4 and include them on a separate sheet. ☐ Yes ☒ No

If Yes, please give details

9. CAN WE DEAL WITH YOUR APPLICATION WITHOUT A HEARING?

If the Tribunal thinks it is appropriate, and all the parties and others notified of their right to attend a hearing consent, it is possible for your application to be dealt with entirely on the basis of written representations and documents and without the need for parties to attend and make oral representations. ('A paper determination').

Please let us know if you would be content with a paper determination if the Tribunal thinks it appropriate.

☒ Yes ☐ No

Note: Even if you have asked for a paper determination the Tribunal may decide that a hearing is necessary. Please complete the remainder of this form on the assumption that a hearing will be held. Where there is to be a hearing, a fee of £220 will become payable by you when you receive notice of the hearing date.

10. TRACK PREFERENCES

We need to decide whether to deal with the case on the Fast Track or the Standard Track (see Guidance Note for an explanation of what a track is). Please let us know which track you think appropriate for this case.

☒ Fast Track
☐ Standard Track

Is there any special reason for urgency in this case?

☒ Yes ☐ No

If Yes, please explain how urgent it is and why:

Given the volatility of the energy market and the increased prices being seen for gas and electricity, South Liverpool Homes have sought to mitigate the current price rises by entering into a longer term contract, for the benefit of tenants and leaseholders. Dispensation allows us to act quickly and lock in the best possible deal before prices rise further, and ensures that as our current contracts come to an end, we move seamlessly into new contracts avoiding the need for tenants and leaseholders to pay out of contract variable rates on their energy usage.

Note

The Tribunal will normally deal with a case in one of three ways: on paper (see section 10 above) or 'fast track' or 'standard track'. The fast track is designed for cases that need a hearing but are very simple and will not generate a great deal of paperwork or argument. A fast track case will usually be heard within 10 weeks of your application. You should indicate here if you think your case is very simple and can be easily dealt with. The standard track is designed for more complicated cases where there may be numerous issues to be decided or where for example, a lot of documentation is involved. A standard track case may involve the parties being invited to a Case Management Conference which is a meeting at which the steps that need to be taken to bring the case to a final hearing can be discussed.

GROUNDWORK FOR SEEKING DISPENSATION

Please use the space below to provide information mentioned in section 7 of this form.

You will be given an opportunity later to give further details of your case and to supply the Tribunal with any documents that support it. At this stage you should give a clear outline of your case so that the Tribunal understands what your application is about. Please continue on a separate sheet if necessary.

1. Describe the qualifying works or qualifying long-term agreement concerned, stating when the works were carried out or planned to be carried out or in the case of a long-term agreement, the date that agreement was entered into or the proposed date it is to be entered into.

South Liverpool Homes have entered into 2 - 3 year contracts for the supply of gas and electricity to our landlord communal area meter supplies. Whilst the start date of the new contracts are staggered dependant on when existing contracts come to an end, for some landlord supplies these new contracts started on 01/10/2024. Meters will be transferred onto new contracts during the course of the next 7/8 months, with the last meter transferring onto a new contract on 14/05/2025.

The new contracts entered into have end dates of either 30/09/2027 or 31/03/2028 for electricity supplies, with all gas contracts expiring on 31/12/2027.

2. Describe the consultation that has been carried out or is proposed to be carried out.

It is proposed that South Liverpool Homes would send letters to all tenants and leaseholders affected by the S20 dispensation process, providing details of the application:

1. Details of the consultation procedure is available on our website, including when S20 dispensation may be required
2. A copy of the S20 application is available on our website
3. Copies of any documents (e.g. hard copies or electronic broker quotes) can be provided on request
4. Directions, when made available by the tribunal will be available on our website

3. Explain why you seek dispensation of all or any of the consultation requirements.

With the volatility of the energy market and fluctuating daily prices changes, South Liverpool Homes must act quickly to the changing market to ensure that we obtain the best possible rates for our tenants and leaseholders before a supplier withdraws the prices. Suppliers can withdraw prices at very short notice, often a few days, meaning offers may only be available for a very short period.

South Liverpool Homes seeks total dispensation of the consultation requirements imposed by Section 20 of the Landlord and Tenant Act 1985 (as amended).

Given the fluctuating price changes and that suppliers can withdraw prices at short notice, it is impracticable and impossible for us to comply with the consultation requirements.
