

Greenstar 4000 and Comfort+ I RF

FOR REPAIRS AND SERVICE

Avela Home Service: 0330 303 3000

To change heating dates and times press **menu**, scroll down to **heat. time prog.** and press **ok**. Select which days you want to adjust. Heating on times are shown by the red block along the bottom of the screen. Up to 3 on periods can be set.

Hot water can be pre-heated ready for use, this will burn more gas but can speed up waiting times. To time your pre-heat press **menu**, scroll down to (🔌) **Time prog.** and press **ok**. Select which days you want to adjust. Hot water pre-heat times are shown by the red block along the bottom of the screen. Up to 3 on periods can be set.

Comfort+ I RF
